

This file was last updated August 31, 2010 and is closed out. *) (Fiscal year 2011 began September 1, 2010)
 If a T-4 permit number is listed as 00000, it is not yet permitted or added to an existing permit. If the number is 99999, the system is distribution, which does not require a permit. *Typos corrected and permit numbers replace 00000 as discovered. Last revision 5/5/11
