INSTRUCTIONS

Reference: Chapter 4 Division 10 §4.193(e)

IMPORTANT

Before this form can be processed, the facility operator must have on file in the Commission's Austin office a current Form P-5 Organization Report.

The disposal system operator must have a Commission disposal permit for each system listed.

WHO MUST FILE THE WH-3

A person who transports oil & gas waste for hire by any method other than by pipeline off a lease, unit, or other oil & gas property for disposal is required to have a waste hauler permit per §4.193 (a).

COMPLETING THE WH-3

The waste hauler Operator completes the portion designated "**WASTE HAULER**" and provides a certification signature.

The facility operator completes the portion designated "FACILITY" and provides a certification signature.

The completed WH-3 is returned **to the waste hauler operator, who will file it with the Commission**. Completed forms can be sent electronically to the waste hauler operator.

WHAT TO FILE

The waste hauler operator must file a Form WH-3 for each unique facility operator organization.

CHANGE OF FACILITY OPERATOR

If there is a change in the facility organization, a new form WH-3 must be filed.

CANCELLATION OF AUTHORITY

The facility organization should notify the Commission in Austin in writing when a hauler's authority to use a particular system is cancelled.
