APPEALS AND APPLICATIONS SET FOR HEARING OR PREHEARING CONFERENCE

Office of General Counsel Weekly Hearing Schedules for 2016

BEFORE THE
RAILROAD COMMISSION OF TEXAS

STATEMENT OF INTENT OF TEXAS GAS SERVICE COMPANY (TGS), A DIVISION OF ONE GAS, INC., TO CHANGE GAS UTILITY RATES WITHIN THE UNINCORPORATED AREAS OF THE CENTRAL TEXAS SERVICE AREA (CTSA) AND SOUTH TEXAS SERVICE AREA (STSA) - GAS UTILITIES DOCKET NO. 10526

NOTICE OF HEARING

Summary of the Proceeding. On June 20, 2016, Texas Gas Service Company (“TGS”), a division of ONE Gas, Inc. (“ONE Gas”), filed with the Railroad Commission of Texas (“Commission”) a statement of intent to increase gas utility rates within the unincorporated areas of the Central Texas Service Area (“CTSA”) and South Texas Service Area (“STSA”) (the “Statement of Intent”). In addition to requesting a change in rates, TGS also proposes to consolidate the CTSA and STSA into a single Central Texas Consolidated Service Area (“CTCSA”). As part of its rate filing, TGS also requests that the Commission: approve the prudence of capital investment in the proposed CTCSA made through December 31, 2015; approve new depreciation rates; find that the transfer of TGS to ONE Gas is in the public interest, to the extent necessary; authorize TGS to recover all reasonable rate case expenses incurred in connection with this proceeding; and grant such further relief to which TGS is entitled.

The CTSA is comprised of the incorporated areas of Austin, Bee Cave, Cedar Park, Dripping Springs, Kyle, Lakeway, Rollingwood, Sunset Valley, and West Lake Hills, Texas, and their associated environs, including the environs of Buda, Texas. The STSA is comprised of the incorporated areas of Cuero, Gonzales, Luling, Lockhart, Shiner, Yoakum, and Nixon, Texas, and their associated environs.

On August 9, 2016, the Commission suspended the effective date for TGS’s rate increase for the unincorporated areas of the CTSA and STSA for 150 days, until January 9, 2017, pursuant to Section 104.107 (Rate Suspension; Deadline) of the Gas Utility Regulatory Act (“GURA”) of the Texas Utilities Code. On August 17, 2016, the Administrative Law Judge severed the rate case expenses portion of this docket into a separate docket, GUD No. 10546.

Contemporaneously with its Statement of Intent, TGS filed statements of intent to increase rates with the municipalities retaining original jurisdiction in the CTSA (together with the Statement
of Intent, and to the extent the Commission acquires jurisdiction over these municipal actions, the “Consolidated Requested Relief”).

**Intervening Parties.** Two parties have intervened as litigants in this docket: (1) Staff of the Railroad Commission (“Staff”), and (2) a coalition of municipalities (“Central Texas Municipalities”), which is comprised of the Cities of Austin, Bee Cave, Lakeway, Cedar Park, and Sunset Valley.

**NOTICE IS HEREBY GIVEN THAT** a public hearing will be held, at the time and place set out below, to consider all issues of fact and law raised in or relevant to TGS’s Statement of Intent and/or its Consolidated Requested Relief. The issues that may be addressed at the hearing include, but are not limited to, the following:

1. The legality and effect of TGS’s Statement of Intent and/or its Consolidated Requested Relief;

2. The justness and reasonableness of TGS’s proposed rates, operations, services, and tariffs;

3. The safety, adequacy, efficiency, and reasonableness of services provided by TGS;

4. TGS’s compliance with all applicable statutes, rules, orders, duties, direction, or requirements of the Commission, enforced by the Commission, or imposed by the Commission;

5. Whether any changes should be imposed on any existing tariffs;

6. Whether the changes in rates and services proposed by TGS are unreasonably preferential, prejudicial, or discriminatory, and whether they are sufficient, equitable, and consistent in application to each class of customer, in compliance with applicable provisions of the Texas Utilities Code;

7. Whether all of TGS’s rate base is reasonable and necessary to the provision of safe and reliable natural gas service and whether any amounts collected under an interim rate adjustment tariff or rates schedule filed pursuant to GURA Section 104.301 (Interim Adjustment for Changes in Investment), not previously reviewed and approved, are subject to refund;

8. Whether the CTSA and STSA should be consolidated into the new CTCSA;

9. The prudence of capital investment in the proposed CTCSA made through December 31, 2015, including all capital investment reflected in previous interim rate adjustment (“IRA”) filings;

10. TGS’s proposed depreciation rates for the proposed CTCSA;
11. Whether the transfer of TGS to ONE Gas is in the public interest; and

12. Any and all other issues raised in the pleadings, evidence, or argument that are necessary for the Commission to render a final decision on the merits of this case.

**Legal Authority and Jurisdiction.** The Commission has, or may have, jurisdiction over TGS and the matters at issue in this proceeding pursuant to GURA Sections 102.001 (Railroad Commission Jurisdiction), 103.003 (Surrender of Municipal Jurisdiction to Railroad Commission; Reinstatement of Jurisdiction), 103.051 (Appeal by Party), 103.052 (Appeal by Residents), 103.053 (Appeal by Ratepayers Outside Municipality), and 104.001 (Authorization to Establish and Regulate Rates), and/or pursuant to GURA Sections 121.051 (Gas Utility: Public Interest and Jurisdiction of Railroad Commission), 121.052 (Pipelines: Monopolies Subject to Railroad Commission), and 121.151 (Railroad Commission Regulation of Gas Pipelines). The Administrative Law Judge and the Technical Examiners shall conduct the hearing pursuant to the requirements of Chapter 2001 (Administrative Procedure) of the Texas Government Code and pursuant to Title 16, Part 1 (Railroad Commission of Texas), of the Texas Administrative Code, and other applicable authority.

2. Title 16, Part 1 (Railroad Commission of Texas), of the Texas Administrative Code, including Chapters 1 (Practice and Procedure) and 7 (Gas Services Division).

**IT IS DIRECTED** that all parties desiring to present sworn testimony, documentary and demonstrative evidence, and argument regarding any issue of law or fact at the final hearing on the merits SHALL appear in person or by an attorney.
