

STATE TASKFORCE ON PETROLEUM THEFT

MEMBER APPLICATION

During the 89th Legislature of Texas, the Legislature passed SB 494, wherein the Railroad Commission of Texas now has jurisdiction to form a theft of petroleum products task force. Therefore, the State Taskforce on Petroleum Theft (STOPTHEFT) is established within the Railroad Commission to study and make recommendations relating to the study of the theft of petroleum products in the state, review laws and regulations addressing the theft of petroleum products, and make recommendations regarding the theft of petroleum product outreach including training for law enforcement officers and prosecutors on effective strategies for combating the theft of petroleum products. The following application is available for potential task force members from the petroleum industry, energy trade associations, and law enforcement agencies.

APPLICANT NAME: _____ **PHONE NUMBER:** _____
EMAIL ADDRESS: _____ **COMPANY NAME:** _____

Please provide your professional experience and specific examples of your participation in matters relating to the theft of petroleum products in Texas, please include any other relevant qualification or experience that would qualify you to become a member of STOPTHEFT.

Please list any professional affiliations: (e.g., membership of trade associations, related professional organizations, law enforcement, state or federal agencies, etc.)

Please include a short statement of interest as to way the applicant is interested in serving on the task force and how the applicant's service can benefit the task force and the Commission.

Please provide a working resume as an attachment to this application. Please send your application to the following email address: ***TXStopTheft@rrc.texas.gov***
