INTERIM ORDER DENYING WTXP MOTION

At the January 23, 2018 open meeting, the Commission remanded this docket to consider additional evidence related to market concentration and competition in each of the Permian Basin, Barnett Shale, and Haynesville Shale markets. On January 31, 2018, WTXP filed a "Motion for Reconsideration and, in the Alternative, Motion to Reinstate Rates," directed to the Commissioners. On February 12-13, 2018, responses to WTXP's motion were filed by ConocoPhillips, Pioneer, OEMI, and Targa/ELTM.

Having considered WTXP's motion and the responses, the Commission hereby **DENIES** the motion by WTXP in its entirety. Per Commission Rule § 1.125 (Interim Orders Entered by the Commissioners), this Order is not appealable and shall not be subject to exceptions or motions for rehearing.

SIGNED this 27th day of February, 2018.
