FINAL ORDER

The Railroad Commission of Texas ("Commission") finds that after statutory notice in the above-numbered docket on the application made by Impetro Operating LLC ("Impetro") (Operator No. 423519) heard on August 19, 2019, the Technical Examiner and Administrative Law Judge (collectively "Examiners") have made and filed a report and recommendation ("Report") containing findings of fact and conclusions of law, for which service was not required; that the proposed application complies with all statutory requirements; and that this proceeding was duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas.

The Commission, after consideration of this matter, hereby adopts as its own the findings of fact and conclusions of law contained in the Report and incorporates those findings of fact and conclusions of law as if fully set out and separately stated herein.

It is **ORDERED** that Impetro, Inc. is granted a two-year exception to Statewide Rule 32. Its request for authority to flare from the respective flare points, volumes and permit effective indicated on Attachment A, attached hereto, is **APPROVED**. Impetro shall file the Statewide Rule 32 Exception Data Sheet and, shall file at the same time, the required fee for a Statewide Rule 32 exception for each of the fifteen (15) individual flare points. See 16 Tex. Admin. Code § 3.32(h)(1).

Pursuant to § 2001.144(a)(4)(A) of the Texas Government Code and the agreement of the parties in writing or on the record, **the parties have waived the right to file a motion for rehearing and the Final Order in this case is final and effective on the date the Master Order relating to the Final Order is signed.**
