|-------|---|

| Explanation of Reference Marks | |
|---------------------------------------|---|
| Reference Mark | Explanation |
| (1) | Discounted Rates are available for shippers that are willing to commit to minimum term and volume and/or revenue commitments. In order to facilitate the efficient transportation of petroleum crude & condensate supplies from producing fields in Texas to Texas markets with high demand for those supplies, volume and/or revenue commitments can be based on a shipper's own volumes or an aggregation of volumes. |
