HEARINGS DIVISION'S
RULE 15 INACTIVE WELL DEFAULT MASTER ORDER**

OCTOBER 06, 2026

At a public conference held at its offices in Austin, Texas, the Commission finds that following notice and opportunity for hearing, the Operators listed below failed to timely request a hearing to contest the Staff determinations that they had not complied with inactive well requirements and that, as a result their P-5 Organization Reports were not eligible for renewal. The Final Orders for each of the below referenced dockets are incorporated by reference into this order, and by signing this Master Order, the Commission approves each of the Final Orders and adopts the provisions contained therein.

IT IS ORDERED that renewal of the P-5 Organization Report for each Operator identified on this Master Order is hereby DENIED.

It is further ORDERED that each Operator shall bring the inactive wells identified on its individual order, into compliance with Statewide Rule 15 (16 TEX. ADMIN. CODE § 3.15) and that the Operator's P-5 Organization Report shall not be renewed until those wells have been brought into compliance.

It is further ORDERED that each Operator and each person who held a position of ownership or control in the Operator at the time the Operator's most-recent P-5 Organization Report was filed shall be subject to the terms of TEX. NAT. RES. CODE §§ 91.114.
