

RAILROAD COMMISSION OF TEXAS

CONTRACT MANAGEMENT

ADDENDUM #1

DATE: 08/09/2021

RFQ#: 455-21-1024

TITLE: PROFESSIONAL ENVIRONMENTAL ENGINEERING SERVICES

PROPOSAL DEADLINE: Thursday August 19, 2021 at 2:00 PM Central Time

Addendum Item #1:

Purpose of this Addendum is to publicize submitted questions with answers:

.

| No. | QUESTIONS | ANSWERS |
|-----|---|---|
| 1 | RFQ Page 30, Section: Statement of Services 3.1.1 f) What type of air quality evaluation, testing, and permitting is anticipated? | RRC Response: If essential data is required for a TCEQ Air Quality permit shall be required for dust control. |
| 2 | RFQ Page 30, Section: Statement of Services 3.1.2 a) This item refers to "... construction of roads, wetlands, ponds, creeks, etc.". Should construction contractors be included in the RFQ response, or will construction contractors be contracted through the Railroad Commission of Texas with engineering support? | RRC Response: Construction contracting is not part of this RFQ. Ultimately a construction contract RFP or IFB will be solicited through the Commission and services detailed by this RFQ will provide engineering and project management support. |
| 3 | Who is (are) the incumbent(s) on the existing Professional Environmental Engineering Services contract(s) (reclamation of abandoned surface mines)? | RRC Response: There are not an existing Professional Environmental Engineering Services contract(s) (reclamation of abandoned surface mines) therefore no incumbent(s). |

All other aspects of the **RFQ# 455-21-1024** remain as is.
