CNG FORM 1007T

CARGO TANK AND CONTAINER DELIVERY UNIT TRANSFER

Please Type or Print

New Owner/Operator Name _____ License Number _____

Previous Owner/Operator Name _____ License Number _____

The transfer of ownership or the transfer of other rights of cargo tanks or container delivery units **currently** registered, requires the transfer of such units in the name of the new owner/operator with AFS prior to the use of such units for transporting or delivering CNG. **The transfer fee for a unit currently registered to another licensee is \$100 per unit** regardless of the capacity or time remaining on the license for the licensee to whom the unit was transferred.

This form is not used for units that will have multiple operators. Each operator of a unit must register the unit separately. If a unit will also be operated by another company, submit CNG Form 1007 for cargo tanks or CNG Form 1007A for container delivery units.

List each cargo tank or container delivery unit being transferred: (Use additional sheets if necessary)

Cargo Tank Manufacturer Name	Cargo Tank Container Serial No. OR Container Delivery Unit Vehicle Identification Number (VIN)	Fee Submitted

INSTRUCTIONS FOR COMPLETING CNG FORM 1007T

1. **New Owner/Operator Name:** The company name of the licensee submitting the form to transfer one or more cargo tanks or container delivery units. The name must be listed as the company name or an assumed name (dba) listed on CNG Form 1001; otherwise, an amended CNG Form 1001 must be submitted along with any documentation required for name change or the addition of an assumed name.
2. **New Owner/Operator License Number:** The license number of the licensee the unit(s) is/are being transferred to.
3. **Previous Owner/Operator Name:** The company name of the licensee the unit's current Form 1004 Decal is issued to. A unit must have an active (unexpired) decal issued to qualify for transfer. Units without a current decal must be registered using CNG Form 1007 or CNG Form 1007A.
4. **Previous Owner/Operator License Number:** The license number of the company the unit's current Form 1004 Decal is issued to.
5. **Cargo Tank Name of Manufacturer:** If the unit being transferred is a cargo tank, then provide the name of the manufacturer listed on the manufacturer's container label.
6. **Cargo Tank Container Serial No.:** If the unit being transferred is a cargo tank, then provide the serial number listed on the manufacturer's container label.
7. **Container Delivery Unit Vehicle Identification Number (VIN):** If the unit being transferred is a container delivery unit, then provide the vehicle's National Highway Traffic Safety Administration's 11–17-character VIN. If the unit is not motorized, then provide the trailer's VIN (chassis/frame number).
8. **Fee Submitted:** The fee amount being submitted for the unit's transfer.
9. **Cargo Tank Test:** Each cargo tank required to be registered with AFS shall be tested in accordance with the special permit under which it was manufactured, relating to requirements for test and inspection. The tests shall be conducted by any individual authorized by the United States Department of Transportation through a DOT "CT" number to conduct such tests. If the test results show any unsafe condition, or if the cargo tank does not comply with the special permit, the cargo tank will not be transferred.
10. **Email address:** Providing an email address is optional. If provided, the filer's email address will become part of the public record.
