Re: Unique Property ID: 66B2A6 The well is not on my property. The well you are referencing belongs to Herman Roy Herms. The well to my knowledge was sold to Magnolia Oil Co. The pump jack, sucker rods were removed etc. On or around August 6, 2026 the well was plugged according to information from the land owner. On October 28 and 29, 2026 people were at the well site cleaning the tanks out. Please make sure the RRC makes the operators of the well responsible for the plugging and removal of all oil equipment and not the taxpayers or landowners.,
